In partnership with:

November National Adoption Month Information for Florida Churches

Family & Faith

... A STRONG FOUNDATION FOR THE FUTURE

(Pastor's Guide)

Dear Pastor:

November is National Adoption Month. We are requesting your assistance in sharing the information in this booklet with your church congregation members, during the month of November. Each page has very simple instructions. The booklet contains:

- A Church announcement to be read each Sunday in November
- A proclamation to be read on One Church One Child on the Second Sunday in November
- A list of 25 of the 800+ children waiting to be adopted

Thank you for your consideration and assistance on behalf of Florida' children in foster care in need of adoption.

Sincerely,

Arie Sailor, MSW, Th.D.
Executive Director

Church Announcement

(To post and/or read during church service, especially during the month of November)

YOU CAN MAKE A DIFFERENCE!!!

If you can provide love, understanding, compassion and space in your home, you can make the difference in the life of a child, youth or sibling group of children, who currently have no permanent family and home to call their own.

Children from young to 17 ½ years of age are waiting in foster care. They are part of the 800 + children waiting on any given day for adoption. Pray about making a difference or sharing with others about this need for individuals and/or married couples to come to action for the children in local communities who are waiting and hoping to be placed with a family that will become their own.

There is little to no cost involved to adopt children from the state's foster care system, and getting started is easy (there are funds available to help support cost). Also, college, medical and financial assistance are available to help meet the needs of children adopted from foster care.

For additional information, please contact One Church One Child of Florida at info@ococfl.org, www.ococfl.org, toll free (888) 283-0886 or 850-414-5620.

ONE CHURCH ONE CHILD ADOPTION SUNDAY PROCLAMATION

(To be read November, Second Sunday, in churches statewide)

WHEREAS, One Church One Child was founded in Chicago, Illinois in 1980 by Father George Clements and implemented in Florida in 1988 as a statewide, nonprofit adoption organization for the purpose of providing services to adoptable children and increasing children's potential for placement in a permanent family home, publicizing the plight of children in foster care and promoting child welfare services to children and support for families; and

WHEREAS, One Church One Child particularly encourages the involvement of clergy and churches, in the process of identifying suitable individuals and families for adoption, foster care and mentoring with the basic philosophy being "to find at least one family per church to adopt, foster or mentor at least one child;" and

WHEREAS, the month of November has been declared National Adoption Month by National One Church One Child, the National Council on Adoption and other adoption promotion organizations across the country to raise public awareness of over 117,000 children in foster care who need good, caring and stable homes; in Florida over 800 children are daily waiting/languishing with no family identified to adopt them; and

WHEREAS, One Church One Child of Florida, Inc. is focusing special attention on waiting children, by promoting Adoption Sunday in Florida; now therefore

BE IT RESOLVED, that the One Church One Child of Florida Board of Directors and Executive Director, understanding the critical situation of children waiting for an adoptive family, continue to designate and publish, through this resolution, Second Sunday in November as One Church One Child Adoption Sunday in Florida, calling attention to children in need of adoption, and the urgency for families to open their hearts and provide a permanent, loving home for these children.

Rev. Beverly Hills Lane

PERSERVE THE LEGACY

“Adopt, Foster, Mentor or provide Watch Care to a Child Today”

How It’s Done in Florida

One Church One Child works in partnership with the Department of Children and Families (DCF), approved Community Base Care organizations and Churches to find individuals and families who will consider adopting, fostering, mentoring or providing support for children in foster care.

What Does it mean to Adopt or Foster a child or sibling group?

To Adopt means to legally give a permanent loving home and family to a child who has neither. To Foster means to provide a child a temporary home with a loving and stable environment until the child can return to his/her home or be placed for adoption.

How can Mentoring or Church Watch Care Help a Child?

Mentoring a child means-providing encouragement, support and assistance to children. Church Watch Care is a care ministry of local churches that can be extended to children in foster care and local families to provide a long term congregation family connection.

You Should Know That To Be An Adoptive or Foster Parent;

You don’t have to earn a high income, although you must have enough money to provide for the basic needs of your family.
You can have children of your own or other adopted or foster children.
You don’t have to own your own home; and you can work full-time.

***How Much Does It Cost To Adopt and
How Long Does It Take?***

Generally, there is no charge for adopting children in Florida’s foster care system. You may need to pay a reasonable amount of lawyer’s fee to finalize the adoption which is usually reimbursed, up to \$1000 per child adopted.

College, medical and financial assistance is available to help meet the needs of children in foster care. The time spent in learning about and preparing for adoption varies. But the average time is three to nine months.

How soon a child is placed with you may depend on the age and the sex of the child.

**IF YOU CAN GIVE A CHILD THE LOVE AND CARE HE OR SHE
NEEDS, YOU MAY BE AN IDEAL CANDIDATE TO BECOME AN
ADOPTIVE, FOSTER PARENT OR MENTOR!**
